INTRODUCTION

Delight Africa is an established Outsourced Training Company (OTC) based in Nairobi, Kenya that specializes in offering top notch training programmes for corporate organizations, nongovernmental organizations and state corporations across the larger East African region with the aim of helping its clients re-engineer their success modes.

The company undertakes training on a wide range of subject matter such as Credit Management, Customer Care, Leadership & Management, Sales and Marketing, Staff Appraisal and Performance Measurement, Labour Laws, Occupational Health & Safety, Personal Development, Organizational Change Management, Budgeting, Project Management and Social Media Strategies.

Our VISION:

To be the leading Training provider in the larger East African Region

Our MISSION:

To provide top notch training services to our clients with a view of helping them re-engineer their success strategies by imparting upon their labour force the requisite set of skills and knowledge.

Our APPROACH:

In pursuit of our vision we seek to maintain a high level of recognition and respect from our clients for the professional manner in which we implement our projects.

We execute our projects within the projected contract period.

We treat all projects from all our clients with professionalism and with utmost confidentiality and we believe that our clients benefit immensely from quality training for their staff.

The Delight Africa PROMISE:

Knowledge, skills and attitudes are your employees' most important equipment.

Acquiring them however, requires considerable financial investment.

Delight Africa can help you ensure returns on your training investments with programs designed not only to inform your employees but to equip them with the necessary Knowledge, Attitude, Skills, and Habit (K.A.S.H.) to serve their customers better, to work with each other and to deliver better results.
